

# Focus Forward

## The quickest path to housing & personal development

### What is the Focus Forward Program?

Focus Forward is a program that provides a time-limited ten-year rental voucher to applicants who want to increase their income by working toward education or career goals. Focus Forward offers guidance, resources, and financial rewards to support participants in reaching their goals.

### Is it true that I can “jump the list” if I participate in Focus Forward?

Yes! If an applicant on the Santa Clara County Housing Authority (SCCHA) Section 8 interest list volunteers to participate in the Focus Forward Program, they will have a greater likelihood of being selected from the interest list within the first year, until we reach our maximum enrollment of 200 Focus Forward participants.
